

Hays & Newmeyer's Louisville Store!

Our Policy is to see how low we can sell good goods. We buy in the closest market for cash, and sell at a small margin, which enables us to give the same goods for less money.

Better Goods for the same money than you can get elsewhere. Don't take our word for it, and don't take our competitors' word, but come and price the goods and compare.

Come to Town one and All.

The impression prevails in the minds of some farmers and others that a restriction had been placed upon them by the City Council prohibiting them from selling vegetables, honey, eggs, fowls and other marketing. We are informed that no such restrictions exist. Come to town and sell what you have.

Cecil Wilkes.

This grand young stallion will make a fall season at Maple Hill Stock farm, near Mt. Sterling, Ky., at the exceedingly low price of \$20 to insure live foal. We can say without hesitation that his equal has never been in Eastern Kentucky. He stands 16 hands 2 inches, is smooth, high styled, has fine action and from ordinary mares will get good sellers. He is as well bred horse as lives, and is the best bred one ever in this section. Is full brother to Evelet, 2:06 1/2 and five others with records and trials.

BLACK DOUGLAS.

Also at same place the handsome 16 hand combined harness and saddle stallion at \$7.00 to insure a live foal. He is standard bred, his sire took three premiums at World's Fair.

Listen Farmers!

A farmer in Wisconsin says he has adopted a plan of advertising in his home paper which has saved him much valuable time and brought handsome returns for the money invested. He says: "When I am ready to sell anything I insert a little advertisement in the local paper telling what I have to sell, and, if live stock, how many head of each and when they will be ready to ship, and the result has been that the buyers are right after me, either personally or by mail, and naturally I get the highest price."

From four to six million people in North China are threatened with starvation, owing to crop failures. The military authorities at Shanghai made an effort at relief by stopping shipments from Central China.

ATLANTA DAILY CONSTITUTION

Now Running a Special Campaign
Offer, Only \$1.00.

The Constitution, of Atlanta, Ga., is now offering its Daily and Sunday editions complete to new subscribers from the date the order reaches that office until November 10th for only \$1.00. This last campaign offer will take the subscribers beyond and give him the full news of the presidential election. The period thus covered will be of unusual interest, not only because of the election and the questions pending thereon, but it will be full of events, and guesses at the truth of reported events in China. The struggle is on between the "yellow terrors" and the "foreign devils" and it will consume the world's attention for many months to come. It is probable that South Africa will become peaceful on a basis that will allow the spunky Boers to lay down their arms with honor. Cuba and the Philippines are with us and until their status is determined their question will continue to be ours. The Constitution always covers all the news completely and this exceptional offer will doubtless test there full capacity in supplying the paper to thousands of thirsty subscribers. The sooner you send for it the longer you will get it for your dollar.
